## Cluster at Pearls

MORE news on bold riders from the pulsating Gold Coast after City Beat's list of corporate failures earlier this week.

They apparently breed them entrepreneurial, and gritty, on the Coast. Examples being **Paul Brinsmead** and **Peter Madrers**, directors of Resortcorp (deed of company arrangement); **Graham Staerk**, director of Winning Directions (liquidated); and **Stephen Solomon** and **Duncan McInnes**, directors of Solmac (receivership).

But these five have bounced back and, in fact, you can find them working together for the Indian-funded Pearls Australasia, which owns Sheraton Mirage, which of course was also in receivership.
